

Americanism

Never has it been more important to promote Americanism than now as we move closer to the 250th. As Regents you have the opportunity to offer to your chapter members ideas and ways to create exciting projects and activities beginning this year and continuing through your term. The best way is to begin by selecting a chapter member who is willing to serve as chairman of your chapter's Americanism Committee.

All kinds of materials are available at the DAR Website, such as flags, bookmarks, and much more.

For the chapter who have members with creative talents, develop ideas that chapter members can make and distribute.

Start now and make a plan.

Here is an address for you to get additional information:

**Us Immigration and Naturalization Service
210 Kanawha Blvd W, Charleston, WV 25302
(304) 347-5766**

Spread Americanism all over West Virginia.

Please contact me with any questions.
