

Dear Chapter Regent,
An informed membership that promotes an enlightened public opinion is a key element to the National Defense Committee. The bi-monthly National Defender newsletter (found on the DAR website) contains articles relevant to the committee's aims. Please include a three-minute report at regular chapter meetings. Other ways to attain Chapter Achievement Awards are to schedule a chapter program on national defense and award Gold ROTC, Bronze JROTC and Silver Outstanding Cadet medals. Chapters can recognize youth, adults and groups that exemplify honor, service, courage, leadership and patriotism. Check out the WV Facebook page for monthly interesting facts. Please contact me with ideas and questions.
