STATE DUES MAILING MUST BE POSTMARKED BY NOVEMBER 1

Dear Chapter Regent and Treasurer:

There are several significant changes for the 2023-2024 dues and contributions payment process. Please make sure you review this information promptly. I will schedule a couple of Zoom meetings in August so that Chapter Treasurers and Regents may ask questions.

Please note these changes:

- 1. All Chapters shall provide a list of members whose dues are being paid both during the fall dues payment process and when forwarding dues for new members. A list of your members as of July 2023 is included in your packet. You may use this list, your national dues invoice or your own list when forwarding your dues. A new form is included that can be used for forwarding the state dues and conference fees for new members.**
- 2. A new form is included if you have Chapter members who are making state contributions paid through the Chapter but want to receive a tax letter.**
- 3. Chapter Achievement Award – Section 8 (Historic, Educational, Patriotic and Membership/Admin): This is no longer included on the Chapter Treasurer’s Report and instead is to be paid directly to National.**
- 4. President General’s Project per member contribution will no longer be included on the Chapter Treasurer’s Report and instead is to be paid directly to National.**
- 5. DAR Schools – Kate Duncan DAR School, Berry College, The Crossnore School, Hillside School and Hindman Settlement School are no longer included on the Chapter Treasurer’s Report and instead any contributions to these schools shall be made directly to the school from the Chapter. Please note that the Chapters no longer receive credit on your Chapter Achievement Award report for sending contributions directly to the schools. However, see #7.**
- 6. American Indian Committee – Contributions to schools or funds under this committee shall be sent directly to the school or to National utilizing the DEV-1003 form.**
- 7. Other Contributions to the National Society – All National funds have been eliminated from the Chapter Treasurer’s Report except for Friends of DAR Schools and the Helen Pouch Memorial Fund. Chapters are to utilize the development form, DEV-1003, and send contributions directly to National. In lieu of the individual schools, I have substituted the Friends of DAR Schools and the Helen Pouch Memorial Fund both of which support the DAR approved schools. I will complete a DEV-1003 and forward the Chapter contributions for these two funds. Chapters can receive credit on your Chapter Achievement Award report for contributions to the Friends of DAR Schools.**

Reminder:

Chapters are required to pay a minimum of \$40 for the DAR Magazine Co-op Ad in order to receive Chapter Achievement Award points.

The State Dues and State Society Funds listed on the Chapter Treasurer's Report are unchanged from 2022.

Please send me a completed report and chapter check, payable to the State Treasurer, WVDAR, postmarked by November 1, 2023. A copy of your chapter's audited or reviewed 2022 financial statement and 2022 IRS filing must accompany the report. WVDAR Bylaws require that State dues and State Conference dues for new members be paid to the State Treasurer within 60 days of their admittance or reinstatement.

I strongly encourage you to set up Direct Payment for your National dues for 2023 if you have not already done so. The deadline for signing up for Chapter Direct Payment is October 26, 2023. There is a one-time fee of 50 cents. If you choose to mail your National dues, mail them to the Office of the Organizing Secretary General, NSDAR. The envelope must be postmarked on or before December 1. National dues are \$45 per member.

If you have questions or concerns, please do not hesitate to contact me at (304) 296-7249 (cell) or vshearscpa@gmail.com.
