

# DAR SCHOOL COMMITTEE

## Theme 2022-2025: “Schools are the Jewels of DAR”

We support five schools, one DAR school and four DAR-approved schools. Started in rural and disadvantaged areas where public education was not accessible, the mission of these schools is to provide traditional values and educational skills to the students in order to help them reach their full potential in life. While each school has a different focus, they serve a variety of special needs programs including adult literacy, attention deficit disorder, dyslexia, and children in family crisis.
