The President General's Project is an opportunity for all Daughters to Rejoice in our DAR ties of Service and Friendship.

Your support of the President General's Project during the Wright Administration will help the National Society to:

- Celebrate our nation's rich history and diversity of experience upon the threshold of America's 250th anniversary.
- Promote belonging throughout our membership by acknowledging with gratitude and friendship each member and her dedicated service to God, Home and Country.
- Propel membership growth by welcoming all descendants of American Patriots while retaining our treasured Daughters.
- Encourage and support projects and service opportunities for every chapter to highlight historic preservation, education, and patriotism in unique, local and impactful ways.
- Maintain financial stability and maximize operational effectiveness.
- Recognize with appreciation our dedication National Society staff.

Ways to Support the President General's Project:

- Chapters are strongly encouraged to support the mission of the Wright Administration by remitting the President General's Project Contribution of \$7.50 per member. This donation may be made as \$2.50 per member per year of the administration or made in one payment of \$7.50 per member for the three-year term of office. The chapter's official membership as of January 1, 2023, less Life Members, will be used to determine the member count for participation regardless of any changes in membership after that date. The President General's Project Contribution for a Life Member is paid by the National Society. Each chapter completing the 100% Chapter Participation donation of \$7.50 per member during the President General's term of office will be recognized with the President General's Project 100% Chapter Participation Certificate. This contribution does not count towards the Heritage Club membership levels.
- A gift of \$2,500 or more, in a one-time payment or total cumulative donations throughout the Wright Administration, merits a complimentary Patriot Donation Pin authorized to be worn on the official DAR Ribbon, certificate and recognition during Continental Congress.
- A one-time gift of \$1,250 distinguishes the donor as a Benefactor. The donor will receive a Benefactor pin, certificate and recognition during Continental Congress, and on the Service and Friendship Donor Wall at our National Headquarters as well as on the digital donor wall.
- Gifts of \$300 or more to the current President General's Project will be recognized on the Service and Friendship Donor Wall at our National Headquarters as well as on the digital donor wall.
- A gift of \$100 qualifies the donor to purchase the President General's Project donor pin, which may be worn on the official ribbon.
- Individual donations may be made online, through the Sustaining Supporter monthly giving program, or by completing the Donations and Contributions Form (DEV-1003). These donations are counted toward Heritage Club membership levels. Donor links are provided in the Additional Resources section below.
- *Shopping for Stars & Stripes Forever!* themed merchandise is another way to support the President General's Project. Please visit the DAR Store in person or on-line to make a purchase for yourself or as a gift.
- Promotional items, such as the DAR wall calendar and address labels, benefit the President General's Project and are delivered directly to your mailbox. Please consider making a donation for these items to support the mission of the Wright Administration as we rejoice in our DAR ties of service and friendship.
