Hello Daughters!!

Congrats Committee Chairman! You will be the leader of promoting women's health, wellness, professional development, and celebrating what wonderful things you all do within our WV chapters. There are so many wonderful ideas you can do at a local level for your chapter.

As the State Chair, I will be running statewide competitions four times a year. These competitions will be held in August, October, February, and April. It will get all WV Daughters moving and getting healthier. Also, we will be highlighting Daughters in the month of July and October. Also, I will be highlighting our Daughters twice a year. To do this email me the accomplishments of a Daughter in your chapter that you would like to acknowledge by June 15 and again by Septemeber 15. The information you highlight will be posted on our State Facebook page and added to the Daughters Online Community so that everyone can see them shining! Our first competition will begin in October 2025. More information will be emailed to your Regent. If you have any questions at all please email me or give me a call.

Sincerely,

Stacey Adams
