

# Community Classroom

The Community Classroom Committee is thrilled to Illuminate Our Legacy as we Light the Way to Learning!

Teachers and staff, in our West Virginia schools, need our support. Many teachers use their own money to buy supplies for their classrooms and donate their time to help students. Daughters, we can help these teachers in many ways.

Community Classroom Chapter Chairs are encouraged to assist their chapters to reach out to classrooms and schools with their time, resources and financial support. Making connections with teachers, principals and librarians is a great place to start.

The following are a few tips for volunteering:

- Encourage Daughters to Volunteer in classrooms by reading to students
- Support teachers and students in the classroom by donating supplies
- Actively celebrate teachers with National Teacher Appreciation Week events
