

Greetings Chaplains,

First, I want to congratulate you on being elected to this wonderful office! You are the prayer warrior for your chapter for the next three years, and I am here to help encourage you, pray for you, and guide you.

As State Chaplain, I will be sending birthday wishes on behalf of the State Society to our members who are 90 years old or older. E-membership does not show the year that members were born, only the month and day. Therefore, I need you to let me know if you have a member who is 90 or older in your chapter. Please ask your registrar to obtain a member's birth year by looking at their application, if necessary.

Also, when a member passes away, I would like you to send a photo of that member to me along with their obituary. I want to put a face to the name when we honor those who have passed during our memorial service at State Conference, and I would like to say something about them, even if no one knew them very well. Please send this information to me when a member passes.

I am excited to share with you that we will be observing the DAR Day of Prayer each year of this administration! This year, on October 12, 2025, we will be at the Capitol in Charleston in the lower rotunda. A formal invitation will be emailed to chapters and sent to guests with more details, and I want to encourage you to attend.

Please do not hesitate to contact me if you need anything. I am always happy to help!

Sincerely,

*Mary Ellen Brown
