One of the main functions of libraries is to house stories. The DAR Library is literally home to OUR stories. Our country, our history, our family stories are held safely within its walls. As we enter a new administration, there is a need for support of this time-honored place that contains those stories and much more. As always, the DAR Library will be accepting new publications to add to their collection. Donations can be made by chapters or individuals. Find the detailed guidelines on the updated LG-1002 – Library Gift Approval and Donation Form. This form must be sent to the library before a book or other material is donated. The Library also has a wish list and will accept funds contributed toward purchasing those items. Our stories are the Legacy to be Illuminated through our generosity to DAR Library.

Closer to home are our local libraries. Many of our WVDAR daughters are active supporters of the libraries in their communities. Almost every WVDAR newsletter has a story about a chapter library activity. There is a wealth of ideas and information for our Library Outreach Committees on dar.org members' website. This is where Chapter Librarians and Library Outreach Committee Chairs can find Chapter Meeting Minutes, Library-Themed Calendar Events and more. There is also a Library Outreach Newsletter. Send them an article about your chapter's next awesome service activity at a library! Let's bloom where we are planted by supporting our local libraries.
