## Blooming Across Borders – Expanding Our Legacy at Home and Around the World!

The Units Overseas Committee connects U.S. and international Daughters through 18 chapters across 12 countries and one U.S. territory. Since the first overseas chapter was established in 1897, these chapters have advanced DAR's mission of historic preservation, education, and patriotism worldwide.

- Global Reach: 18 chapters in 12 countries and one U.S. territory foster partnerships between U.S. and overseas Daughters.
- Mission-Driven: Units Overseas Chapters promote DAR's goals of historic preservation, education, and patriotism.
- Membership Opportunities: Units Overseas (U.O.) Chapters are actively seeking new and associate members to **expand the legacy** across borders.
- Stay Connected: Visit the Units Overseas Committee webpages on [dar.org](http://dar.org)  
[dar.org/members/committees/special-committees/units-overseas/units-overseas-committee](http://dar.org/members/committees/special-committees/units-overseas/units-overseas-committee)
- Join the Daughters Online Community (DOC) and then connect with the Units Overseas Online Community to engage with fellow Daughters passionate about expanding our legacy through Units Overseas.
- Get Involved: Choose a U.O. Chapter(s) to join as an associate member based on your interests: travel, lineage association, history or support of their projects (varying from local community efforts, support of military families, all the way to disaster relief in some cases.) Overseas Chapters, unlike U.S. Chapters, are unable to fund raise. Major support of U.O. is through U.S. associate dues/donations and the Units Overseas Luncheon and Bazaar at Continental Congress.
- **"Bloom across borders"** - It is always fun to be an armchair traveler! Consider a Chapter Program or Minute to increase awareness of our Units Overseas. **Illuminate** a Service Project of a particular chapter!
- FYI – These are suggestions. As of this writing, August 2025, there are no NIP requirements for Units Overseas by U.S. Chapters. This may change, as there is an emphasis on U.O. in the Storage Administration.
