

# DAR SERVICE FOR VETERANS

Candis "Candy" Martin | National Chair

## Women Veterans

### ★ TELL HER STORY ★

By participating in the Adopt A Woman Veteran project, the very important job of documenting and telling the story of a woman veteran is in your care. She is depending on you to ensure her legacy, the Memorial is depending on you to capture and preserve her story, and the nation is depending on you to ensure history is complete, one story at a time.
