

These are some of the events from the Commemorative Events Committee Page

25th Anniversary of 9/11 — Sept 11, 2001

140th Anniversary of the Statue of Liberty — Oct 8, 1886

240th Anniversary of the Northwest Territory — July 13, 1787

The page has a resource links with all sorts of ideas on how to mark various events. An easy idea for the Northwest Territory event is to go to Campus Martius Museum in Marietta OH. It houses a lot of the history of the area as well as the land office and the home of Rufus Putnam on it's original location. If you can't get to Marietta OH, they have a website that includes a virtual tour of the Rufus Putnam house.

There is a contest for Commemorative Events. If you are celebrating an event, write about it. You can look at the rubric on the committee page to help you in your planning. When entering the contest, send your information to me separate from your CMR. This way I can tell that this is a contest entry and not just a report. THE DEADLINE TO GET YOUR INFORMATION TO ME IS JANUARY 15, 2027
