

DAR Leadership Training

For those of you enrolled in DAR Leadership Training courses, all worksheets and projects must be completed by March 21, 2027, in order to graduate during our 2027 State Conference at the DoubleTree in Huntington. This allows the state chair time to complete all National and WV State obligations before our conference.

If you are not currently enrolled in a course, there is still time *to Illuminate Our Legacy* by expanding your DAR knowledge and skills by completing courses before the March 21st deadline. To enroll in courses, contact Mickie Richardson @ mirichar16@gmail.com
